Jackson Lewis Legal Consultancy are offering 8 hours legal business development worth £1,200 for free when you join National Legal Alliance.

## Our Pedigree in Legal Business Development

- Our founder has successfully worked in the field of legal business development for more than 25 years.
- He has been the founding partner in two law firms from 2000-2015
- He holds a current practising certificate but has concentrated on helping other companies in the legal sector exclusively since 2016.
- Our mission is simple- to help solicitors' firms.
- We can act as your outsourced business development consultancy or compliment and bring added value to your existing business development efforts.
- Strategies to acquire more clients
- Utilising and developing new areas of work
- Cross-selling and increasing return rate of existing clients
- Using our comprehensive network of legal contacts built up over numerous years to bring you valuable opportunities.
